
A RESOLUTION AUTHORIZING THE CITY MANAGER PRO TEM TO PURCHASE A NEW 2013 CUES HI CUBE TRUCK MOUNTED TELEVISED INSPECTION SYSTEM IN THE AMOUNT OF \$169,500.00; UPON DELIVERY, DECLARE THE CURRENT 1993 CUES HI CUBE TRUCK MOUNTED TELEVISED INSPECTION SYSTEM SURPLUS; AND SELL THE SURPLUSED 1993 CUES TRUCK MOUNTED SYSTEM TO THE CITY OF CHELAN, WASHINGTON, FOR \$20,000.00

RECITALS:

1. The City of Newberg has operated its own truck mounted video inspection system to inspect over 75 miles of wastewater lines and 32 miles of storm lines and culverts within Newberg city limits since the original system was purchased in 1977.
2. The existing 1993 Televised Inspection System has been upgraded two times since it was originally purchased and has reached a point of becoming technologically obsolete. Technological improvements made to televised inspection systems in the past 20 years have changed from a video tape to a digital format, reduced equipment size to increase pipe inspection capabilities, reduced operation costs, and improved operator efficiency and safety. Purchase of a new truck mounted video inspection system will allow the city of Newberg to realize these technological improvements, provide data that will fully integrate with the current mapping and asset management systems, and meet the requirements of the inflow and infiltration reduction program and maintenance needs for the next 15 years.
3. On March 28, 2012, the city of Newberg entered into an interagency cooperative purchasing agreement with the Houston-Galveston Area Council (HGAC). The HGAC cooperative agreement complies with the State of Oregon Public Contracts and Purchasing Rules per ORS Chapter 279(A) and the city of Newberg Municipal Code (NMC) Chapter 3.25 regarding public contracts and purchasing.
4. The HGAC agreement provides for competitive state bid prices to purchase items such as the Cues Hi Cube truck mounted Televised Inspection System. The city of Newberg received the HGAC competitive bid, which was awarded to CUES, Inc., providing the best product at the best price.
5. Purchase of the Cues Hi Cube truck mounted Televised Inspection System will be made from CUES, Inc., in the amount of \$169,500.00.
6. The city of Chelan, Washington, has offered to purchase the existing 1993 Cues Hi Cube truck mounted Televised Inspection System at a fair market value of \$20,000.00 pending their city council approval. Sale of the 1993 system to the city of Chelan, Washington, which will be surplus after receipt of the new system, is as per the NMC section 2.35.270(A).

THE CITY OF NEWBERG RESOLVES AS FOLLOWS:

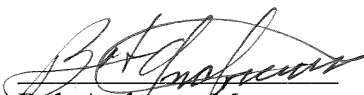

1. The City Council acting as the Contract Review Board makes the following findings:
 - a. On March 28, 2012, the city of Newberg entered into an interlocal contract for cooperative purchasing agreement with Houston-Galveston Area Council (HGAC). The HGAC cooperative agreement complies with the State of Oregon Public Contracts and Purchasing rules and regulations per ORS Chapter 279(A) and the city of Newberg Municipal Code (NMC) Chapter 3.25 regarding public contracts and purchasing.
 - b. The HGAC developed specifications and documents for a request for proposals (RFP) for municipal sewer inspection equipment, solicited bids, and awarded Elsxii dba CUES, Inc., as the purchase contract for Hi Cube truck mounted video inspection systems.
 - c. The city selects CUES, Inc. (manufacturer) to provide a new Cues Hi Cube truck mounted Televised Inspection System at a cost of \$169,500.00.
2. The city manager pro tem is authorized to sign all necessary documents, do all necessary acts, and enter into all necessary contracts or agreements for the purchase of one new Cues Hi Cube truck mounted Televised Inspection System from CUES, Inc.
3. Upon receipt and acceptance of the new Cues Hi Cube truck mounted Televised Inspection System, the city manager pro tem declares the existing 1993 Cues Hi Cube truck mounted Televised Inspection System surplus.
4. The city accepts the city of Chelan, Washington's offer to purchase the 1993 Cues Hi Cube truck mounted Televised Inspection System and authorizes the city manager pro tem to sign all necessary documents, do all necessary acts, and enter into all necessary contracts or agreements for the sale of the 1993 Cues Hi Cube truck mounted Televised Inspection System to the city of Chelan, Washington, at a fair market price of \$20,000.00.
5. The city attorney will approve all necessary contracts and agreements as to form and content.

➤ **EFFECTIVE DATE** of this resolution is the day after the adoption date, which is: November 5, 2013.

ADOPTED by the City Council of the City of Newberg, Oregon, this 4th day of November, 2013.

Norma I. Alley, MMC, City Recorder

ATTEST by the Mayor this 7th day of November, 2013.

Bob Andrews, Mayor
